Notes:

Whilst every reasonable effort has been taken to correctly record the pipe material of DCWW assets, there is a possibility that in some cases, pipe material (other than Asbestos Cement or Pitch Fibre (PF)). It is therefore advisable that the possible presence of AC or PF pipes be anticipated and considered as part of any risk assessment prior to excavation

Dŵr Cymru Cymybedd (the Company) gives this information as to the position of the underground apparatus by way of general guidance only and on the strict understanding that it is based on the best information available and is not to be relied upon as a guarantee of the accuracy of the information. The user of this information is advised to carry out their own investigations and to verify the information which is supplied by the Company. It shall be noted that the records that are available to the Company may not disclose the existence of a water, main, service pipe, sewer, lateral drain or any associated apparatus laid before 1 September 1989, or, if they do, the particulars thereof including their position underground may not be accurate. It must be understood that the furnishing of this information is entirely without prejudice to the provisions of the New Roads and Street Works Act 1991 and the Company's rights to be compensated for any damage to its apparatus.

Service pipes are not generally shown but their presence should be anticipated.

EXACT LOCATIONS OF ALL APPARATUS TO BE DETERMINED ON SITE.
